The screenshot shows the same "Crea una cuenta" modal window. The dropdown menu is now closed and has "Aceleradora" selected. The next question is "¿Cuál es el logo de esta aceleradora?". Below it is a large rectangular area with the placeholder text "Selecciona una imagen". The form continues with "Nombre *" and a text input field with the placeholder "¿Cómo se llama la aceleradora?". Below that is "Web" and a text input field with the placeholder "¿Cuál es la URL de su web?".
